G. Many immigrants called the USA “the Land of **Liberty**”

H. Number of immigrants : **over 12 million** arrived on Ellis Island.

I. Number these sentences in the **chronological order** (n°1, n°2, n°3,n°4)

| | | |
|-------------------|--|-------------|
| On Ellis Island : | A doctor examined immigrants | n°3 |
| | They (=immigrants) registered | n° 2 |
| | Then, the immigrants continued their journey | n°4 |
| | The immigrants lined -up | n°1 |

J. Immigrants with serious medical problems: inspectors accepted these immigrants in the USA
 inspectors refused these immigrants to enter the USA

K. Consequence: These immigrants returned _____

2/ Part 2 : Vocabulary (read PART 1 again)

S'aligner (faire la queue)= **line up**

Continuer leur voyage = **continue their journey**

S'enregistrer (s'inscrire sur un registre) = **register**

Rappel, tous ces verbes sont des verbes réguliers au preterit.

Pour mettre un verbe régulier au preterit, il suffit de rajouter **le suffixe -ed au verbe.**

HAVE n'est pas un verbe régulier. C'est un verbe irrégulier. La règle ne fonctionne pas pour les verbes irréguliers. Leur forme change au preterit.

4/ Practise

Conjugate in the preterit tense (these verbs are regular / « BE » is different)

Ellis Island (open) **opened** in 1894. It (be) **was** an immigration centre and it (control) **controlled** the number of immigrants who (travel) **travelled** from Europe.

When they (land) **landed** on Ellis island, they (be) **were** very tired because it (be) **was** a long journey from Europe.

They (pass) **passed** medical examinations and inspectors (allow*) **allowed** immigrants with no medical problems to live in the USA.

Immigrants with medical problems (be) **were** not accepted, inspectors (force) **forced** them to return to their country.
