Ellis Island

Ellis Island was an immigration centre. Many immigrants arrived from Europe and they stopped at Ellis Island. They lined up, registered and a doctor examined them. Inspectors were very strict, they were not funny.

Inspectors accepted immigrants who didn't have any problems but they didn't accept immigrants who had serious medical problems. These immigrants were forced to return to their country. Ellis Island closed in 1953.

LE PRETERIT (RAPPEL) :

Verbes réguliers au preterit: base verbale + -ed (ou -d)

Verbes irréguliers: la règle en -ed ne s'applique pas. Leur forme change au preterit (ainsi HAVE devant HAD, BE devient WAS OU WERE)

Forme négative= 1 seule façon= DIDN'T + BASE VERBALE (ex: didn't accept)

Sauf BE qui fonctionne à part car c'est un auxiliaire (WAS NOT / WERE NOT) :

	Rappel : Be au preterit	
	Forme affirmative	Forme négative
I, he, she, it	was	wasn't (was not)
we, you, they	were	weren't (were not)

Ex.1 : d'application : conjugue au preterit (les verbes barrés = forme négative) (à recopier dans le cahier ou imprimer/coller et compléter)
